My Dear Sir

We shall be delighted
to see you here on Saturday.
Your way is to take midland
train from St. Pancras to
Harpenden at 11.15 AM.

If we had more time we
should wish to have a num-
ber of scientific friends to
join you, and will depend somewhat
on the party which arrangements
be made for leaving Harpenden
at 5.44 or later, but I will let
you know about this. I am

Yours sincerely, J. H. Gilbert
